Subject:	The payment

Good afternoon, Mr.Barak,

Would like to apologize and to inform you that due to some bank's (UBS) internal procedures the arrangement of the payment have taken a little bit more time then I previously promised to you.

The execution of the payment will be done by the bank only tomorrow (see the report attached). I am personally controlling and checking the status in a on-line regime.

Sorry for this once again.

Yours, Yakov
